Then all of Congress would know, that right outside the building they are debating which elector slates to use, a million fired-up patriots are clamoring in the streets for them to do the right thing and overturn the steal.

Begins on Saturday the fourth on Capitol Hill. No more goddamn, two hour, bullshit marches. We stay until the GOP does their jobs on the sixth. Monday is too late. Gotta get there two days ahead and STAY till whenever.

Saturday 10 a.m and we don't leave. Pissed off citizens. Let them see a few hundred thousand angry people there for a few days before the Senate convenes on Monday.

Bring tents. Barricade using pick up trucks. Anyone with tractor , trailer or box truck can be shelter or CP. We need to breach security barricades . Own the land. Be aware of rooftop security , deny overwatch.

The farmers in Belgium, France, Germany and Netherlands are known for driving their tractors halfway across the country to protests. They park in the middle of 6-lane highways and pull the ignition keys. Takes ages to clear them off the road.

Edit: rooftop security won't do nothing. The idiot who takes a shot through his sniper rifle at a fellow Americans exercising his right to protest will not enjoy the consequences. With BIG NUMBERS, there's nothing to fear!
